**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of Sonic for two years and have received excellent service at a fare price.
We need competition not another large company to raise your price every 6 six month.

I'm not in a large city I'm in the sticks and Broadband should be for all not just those with the big lobbyist.

Lets get back to being American and stop all this one size fits all stuff. Open field so we can have a life.
